

CREATIVE.HOME.cinema

BY MARK BUCKFIELD

At Creative Home Cinema we have produced two exceptional packages that will deliver the complete cinema experience in the comfort of your own home. They have been specially designed so that they are simple to install, easy to use and affordable.

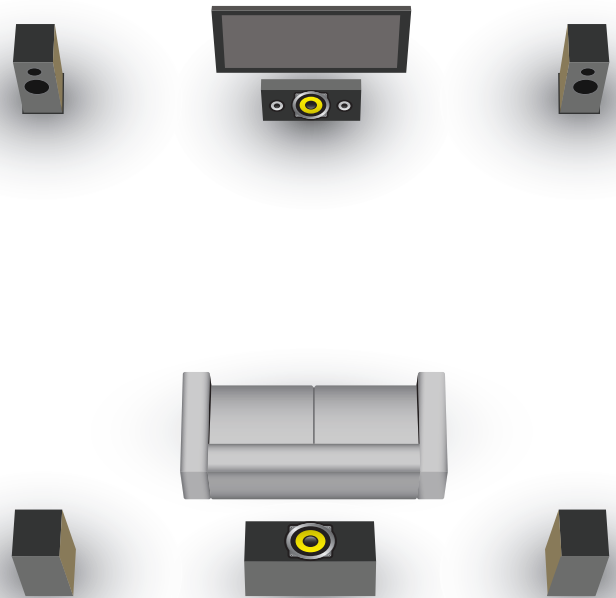

Home Cinema Package

For the ultimate home cinema experience

Flat Screen TV Package

For the best TV experience

Projector

Flat Screen

DVD

Sky/Freeview

AV Amp

Speakers x 5

Subwoofer

Single Remote

Interconnects

Installation

Guarantee

Your package will be professionally installed using the latest technology, enabling you to watch TV or the latest Blu-ray disk in High Definition, complimented by Dolby Digital surround sound, all simply managed by a single remote control.

We would be delighted to arrange a demonstration in our studio or a visit to your home on a no obligation basis. Please call Mark or Veronica to discuss how we can create this experience in your home at a budget to suit you.

AFFORDABLE

PROFESSIONALLY INSTALLED

EASY TO USE
